

SCHOOL ANNOUNCEMENT

INTERMEDIATE TAC-MED

We have taken the refresher 'model' required by the Nat'l Registry of EMT's and gave it an infusion of teamwork, field and clinic based medicine, basic concepts of ground combat and daily medical/trauma scenarios derived from actual missions. The end result is an EMT refresher course that has been custom built for the Tactical Medic that is unmatched ANYWHERE!

Certifications Achieved: BLS/CPR-HCP, ACLS, PHTLS, PALS

Tactical Combat Casualty Care (TCCC) doctrine is deeply imbedded into all facets of this course

ALL REQUIREMENTS FOR A SUCCESSFUL NAT'L REGISTRY EMT BASIC, INTERMEDIATE OR PARAMEDIC RECERTIFICATION ARE ACCOMPLISHED DURING THIS COURSE

COST PER STUDENT: \$2500

AMMUNITION PACKAGE: \$450

(11-Days of instruction w/Sunday off)

SCHOOL INFORMATION

LOCATION: The home base of training occurs on Nellis AFB, located just 15 minutes north of the Las Vegas strip.

One of the main attractions of training in the Las Vegas desert is that it duplicates the terrain in which current Operators currently deploy. The students train in the jagged cliffs of nearby mountains and dry air of the high-desert. Add that to the 300 average days of sunshine per year, and this could be called the 'perfect' location for Tac-Medic preparation.

WHO SHOULD ATTEND? This school is intended for Military Medics or Law Enforcement Tactical Medics who are current medical providers or are field based medical providers holding a State or Nat'l Registry EMT certification. Physicians, Nurses, and PA's with a tactical responsibility within their job descriptions are also welcome to attend.

STUDENT PREREQUISITES:

This school is PHYSICALLY DEMANDING! Prospective applicants will be expected to lift heavy objects, function in confined spaces, and be required to shoot/move/communicate under stressful conditions.

Each student is expected to be FAMILIAR in safe handling and shooting with a semi-automatic pistol and M16/M4 type rifle. **Students must also be physically capable of quickly and safely assuming standing, kneeling, and prone positions, maintaining them for a period of time, in adverse conditions, and recovering without assistance.**

SCHOOL INFORMATION

SUCCESSFUL COURSE COMPLETION: This is a 100+ contact hour school. *Contact hours = Actual instruction time in the classroom and on the range. It does not include travel between lodging and training site, breaks, meals and clean-up. 100% attendance is mandatory for successful school completion.* The school should be considered a full-time endeavor. It is unreasonable to expect successful completion if engaged in any additional activities during the school term.

Gear/Weapons/Ammunition: JTM provides a secure storage space for student weapons, ammunition and pro-gear that is brought to the school. *ALL STUDENTS ARE GIVEN THE OPPORTUNITY TO DROP OFF THEIR EQUIPMENT THE AFTERNOON PRIOR TO EACH COURSE START DATE FROM 1500-1600 HRS. DROP OFF LOCATION: JTM TRAINING BUILDING, AREA 2, NELLIS AFB, NV 89191.*

Student Attire: During all classroom sessions, relaxed business attire is recommended. For the firing range / field environment, please bring uniforms & footwear appropriate for a desert climate. *IT IS HIGHLY RECOMMENDED THAT STUDENTS BRING AN EXPENDIBLE UNIFORM THAT CAN BE DISCARDED AT THE END OF THE CLASS.*

Food/Lunches: Approximately 30 minutes will be given each day to eat lunch in the training building. Student refrigerators and microwaves are available for use. Sodas, sports drinks & bottled water are available for purchase.

Administrative needs: JTM must receive a completed application from each student prior to arrival. (Refer to the www.jtmlasvegas.com website)

Current, non-expired DoD identification cards or Law Enforcement credentials will be required upon arrival.

Tuition: Students must bring their method of payment with them on the first day of training, unless prepayment of the course had been arranged. Detailed receipts will be provided.

Cancellation Policy: No-show applicants will be invoiced for 100% of the course tuition. All cancellations within 14 days of course start date are subject to full payment for tuition of said course (substitutions for cancelled slots will be allowed without penalty). For cancellations within 15-29 days of course start date, students will be invoiced for 100% of the course tuition. ½ of the student tuition will be credited towards a future class date (to be used within 6 months of cancellation and only for the listed applicant.) Cancellations or reschedules made on or before 30 days of course start date are without penalty.

CURRICULUM

This comprehensive block of training meets all of the certification requirements for the Nat'l Registry of EMT's **Basic, Intermediate or Paramedic**. Students do not need any additional training or continuing education hours for the recertification period.

Classroom: Approximately 55 contact hours will be spent in the classroom. Subjects will include, but not limited to:

- Basic Life Support/CPR-HCP
- Pharmacology
- Standard medications
- Extended care transport
- Non-traumatic abdomen
- Tactical Combat Casualty Care
- Triage
- Weapons of Mass Destruction
- Environmental injuries
- Allergic reactions
- Ocular injuries
- Pre-hospital Trauma Life Support
- Public Health
- Advanced Cardiac Life Support
- Pediatric Advanced Life Support

Skills Labs/TCCC scenarios: Approximately 25 hours will be spent performing hands-on skills during our 'labs' and TCCC based training scenarios. Subjects will include, but not limited to:

- Motor vehicle extraction
- Confined space extraction
- Military Operations in Urban Terrain
- 'Street' medicine
- Care Under Fire
- Tactical Field Care
- CASEVAC
- Exfiltration problems
- Convoy operations
- Teamwork in problem solving

Range: Approximately 20 contact hours will be spent on the weapons training ranges. Subjects will include, but not limited to:

- Weapons familiarization
- Gunhandling
- Marksmanship
- Combat mindset
- Team maneuver
- Field evacuation
- Communication
- Roles/responsibilities

Day #2: Tue 0800 - 1700
Day #3: Wed 0800 – 1700
Day #4: Thu 0800 -1700
Day #5: Fri 0800 - 1700
Day #6: Sat 0800 -1600

Sunday Off
Day #7: Mon 0700 - 1700
Day #8: Tue 0700 - 1700
Day #9: Wed 1300 - 2200
Day #10: Thu 1300 - 2200
Day #11: Fri 0800 - 1700

EMT RECERTIFICATION

(Basic, Intermediate or Paramedic)

Upon class completion, we will provide **ALL** necessary paperwork for successful recertification to include BLS/CPR, ACLS, PHTLS, and PALS/PEPP. If required, all Nat'l Registry Skill and CME sheets will be endorsed by our medical director.

BLS/CPR-Health Care Provider: Certification cards will be presented at the completion of this school. All requirements for Basic Life Support/CPR are included, and all necessary paperwork is signed by the EMS Coordinator and Medical Director.

ACLS: Certification cards will be presented at the completion of this school. All requirements for Advanced Cardiac Life Support are included, and all necessary paperwork is signed by the EMS Coordinator and Medical Director.

PHTLS: Certification cards will be presented at the completion of this school. All requirements for PHTLS/Military are included, and all necessary paperwork is signed by the EMS Coordinator and Medical Director.

TACTICAL COMBAT CASUALTY CARE (TCCC): The most current equipment and techniques approved by US SOCOM are implemented in this curriculum. Updates and initial course information will be provided.

PALS: Certification cards will be presented at the completion of this school. All requirements for Pediatric Advanced Life Support are included, and all necessary paperwork is signed by the EMS Coordinator and Medical Director.

Students will be given a large envelope at the conclusion of the course containing ALL certifications, CME's, Skills and other requirements of Nat'l Registry of EMT. Students will be expected to maintain and submit their own packages to Nat'l Registry of EMT's upon return to their home station.

* JTM has a limited number of M4's and Pistols available for student use with prior arrangements. There is no charge for weapon use with purchase of ammo package.

**Ammunition for this training course may be purchased directly from JTM.

Equipment / Skills Preparation

1. **Technically Inspect Firearms and Condition of Equipment:** Have the Unit's authorized armorer conduct a technical inspection of the firearms being brought to the school to ensure the firearms are safe to fire, functioning reliably with the ammunition to be used, and that the sight system is solidly attached and functioning properly. Also, check the condition of ALL equipment you will be bringing to the school. JTM provides no personnel or facilities to repair firearms.

2. **Practice:** Practice with the firearms and equipment to be used at the school. This practice will help ensure successful completion of the school and that everything is working properly.
